"One of the students that I brought in was in dire need of clothing. He is a 9th grade EC student. He is normally happy-go-lucky. However, he thought that he needed to 'look better' in high school. The Clothing Closet stepped in to help in this department. The young man appears more confident walking down the hall after receiving his new clothing. The 'hit' of the trip was a new digital camouflage jacket. He LOVES it! Thank you!"
